analysis, development and financing of projects in the emerging market economies with specific emphasis in the ecologically sound electrical generation, garbage recycling and conversion to electrical energy and fuel, road constructions, development of concessions and resources, reinvigorating of exhausted and/or marginal oil wells, supplying of aircraft of all kinds, supplying of military/police equipment and training personnel, supplying of foodstuffs and pharmaceuticals, as well as assistance with debt renegotiations as well as international bond issues.

ROSNI s.r.o and its US subsidiary, Integrated Consulting Resources (A Licensed by the Small Business Administration {United States Federal Government Agency} as SBA Technical Advisor), had been doing business in Ecuador for the past 10 years. Recently based on the favorable economic condition in the country for foreign investment (in the mining sector, agricultural sector, financial sector and real estate development and construction), ROSNI. Had formed an Ecuadorian company to conduct its business activities in the country.

ROSNI s.r.o had formalized its strong presence in the Republic of Ecuador with formation of wholly owned subsidiary INDUSTRIAL TRADE AND DEVELOPMENT COMPANY ECUADOR s.a. (Industrial Trade and Development Company Ecuador ITADESA S.A. that was legally constituted on August 5, 2010, approved by the Superintendent of Companies, with resolution SCIJDJC Q 10.003619 of August 31 2010).

Figure 1: Luxury Yacht Construction Industry

The company was capitalized and began operations on September 1, 2010 with offices in Quito (Capital of Ecuador) and a satellite office in Santo Domingo.

ITADESA handles the extensive investment and development plan approved by ROSNI s.r.o. board of directors. ROSNI s.r.o through its subsidiary companies is involved in the environmental fields of clean renewable electrical generation, raw

resource development, as well as supplying of the needed materials and services for the development of the Ecuadorian economy. To this end ROSNI s.r.o

Evgeni Husid VP of ICR and Jorge Perugachy award winning painter of Ecuador
